

OMAHA BUILDER'S EXCHANGE

\$2,000 Annual Scholarship

Eligibility Requirements:

- All applicants must be an employee of a current OBE member company, child of an OBE member company employee, or a current student enrolled in course work that supports a career in the construction trades.
- Applicants must be enrolled as an undergraduate in at least 12 credit hours for the Fall of 2018 and 12 credit hours for the Spring of 2019.
- Focus of study must be in the construction trades at one of the following accredited Colleges or Universities:
 - University of Nebraska at Lincoln, Omaha or Kearney
 - Peter Kiewit Institute in Omaha
 - Metropolitan Community College in Omaha
 - Southeast Community College in Milford or Lincoln
 - Hastings College
 - Iowa Western Community College in Council Bluffs, IA
 - ITT Technical Institute in Omaha
 - *Other Institutions with construction/engineering programs are subject to approval
- Award of scholarship will be based on academic performance (min. GPA of 3.0 required), work experience, community involvement and career goals.
- Up to 3 scholarships will be awarded.
- The total scholarship amount is equal to \$2,000 and will be dispersed in two equal installments of \$1,000 upon proof of grade point average and full-time enrollment in each semester.
- Payment will be made directly to the recipient's Student Tuition Account at the Institution where they are enrolled.
- Scholarship awards will be announced in May or June 2018 at an event designated by the Board of Directors. Scholarship Awardees will be notified and their attendance will be requested. They will also be recognized at the OBE Annual meeting.
